## Your dollars at work!

Hello friends of Flight Night, and Happy New Year!

Thank you for supporting Tulsa Regional STEM Alliance through your contribution to the 2022 Flight Night event. On behalf of the planning committee, we're proud to say it was a record-breaking year: we hosted more people and raised more money than ever before!

Flight Night 2022 brought in more than \$715,000 to support STEM education across the state of Oklahoma. And we at Tulsa Regional STEM Alliance have put those funds to work! Check out all the things we've accomplished – in large part thanks to the generosity of our Flight Night contributors!
